Discussion on Pool Demolition Request to City of Canon City

There was Board interest in making a request to the City to fund the demolition of the pool using the pool-related sales tax already collected.

The recommendation on what to do with the pool-related sales tax will be made to City Council at their first meeting in July. Board member Cooper Trahern has drafted a letter to request using the sales tax collected to demo the Icabone Pool. (Board members received a copy of this letter.)

Kyle Horne stated that according to Wember representatives the cost of demolition is approximately \$400,000-\$425,000. Board member Andy Palmasano commented that the sales tax was intended for the Recreation District and the pool. He agrees to request the funds.

Kyle said the pool facility is a potential liability, an eyesore, and at some point, the Recreation District is going to have to demo it.

The Board discussed the spirit of the original tax question, going to the voters for how to proceed with the sales tax, and that the Recreation District does not have the funding to demo the pool.

The Board liked the letter.

Board member Sean Rodgers made a motion, seconded by board member Kristina Post to present this letter to the City as the official stance of the Recreation District to make this recommendation for a future ballot. Motion carried unanimously, all present voting aye.
